VIA Netherlands is the Dutch branch of SCI. Each year we organise around 6 workcamps and send out app. 90 volunteers to projects all over the world. Besides this we are involved in the LTEG work of SCI, the work concerning former Yugoslavia, the Middle East and Central Asia. Our organisation is completely run by volunteers. At the moment about 40 volunteers make some voluntary effort, of who about 15 regularly come into the office. Our office is located in a former hospital building in Amsterdam, which was once squatted but is now

legal. We share the building with app 40 other organisations.

The LTV is expected to work 6 hours a day, 5 days a week and sometimes in weekend. The LTV needs to work independently. Many volunteers occasionally come to the office and give some help. This structure means on one hand the LTV is going to work together with and meet a lot of nice and enthusiastic VIA volunteers. On the other hand it means that the LTV needs to have a sense of responsibility and self-initiative, because there is nobody ordering the LTV what to do all the time.

**Requirements:** Good computer skills (MS Office), enthusiasm, flexibility, self-initiative and an open attitude for new experiences in life. We expect the LTV to attend the Placement Officer Training before the project starts. Date and place are not yet known.

**Food:** The LTV will have pocket money to buy food.

**Accommodation:** Provided by VIA Netherlands. Somewhere in Amsterdam, a private room or shared apartment. Not necessarily in the same place all the time.

**Pocket money:** Euro 70,- per week
