Project Description:

SCI wants to give possibilities to all the young people to take part in the different activities of international voluntary services (international workcamps in France and abroad, short-term and long term EVS..). The EVS volunteer will have to inform the different partners and youngsters SCI works with, about international voluntary service possibilities and offers opened to them.

***Notice:** This is a European Voluntary Service (EVS) project. Restrictive rules concerning the age and home country of the participants apply. Please contact the SCI branch, group or partner organisation in your country for further information.*

Detailed Information:

Work: - promote EVS within different partners and youngsters: taking part to meetings, information sessions, preparation sessions and training with future volunteers - receive requests and give information - communication: make “flyers”, synthetic documents, information panels...

Requirements: - motivation for relations with different publics (young people in inclusion programs, students, partners of associations), so a capacity of adaptation - motivation and competences for communication tasks
