

**-Project name:** Can Pípirimosca

**-Project code:** ES-CAT 10.1

**-Country:** Spain - Catalunya

**-Dates:** 24<sup>th</sup> July – 7<sup>th</sup> August

**-Topic:** Environment protection

**-Type of Work:** Construction / Environment / Manual

**-Total Number of volunteers:** 12

**-Volunteer age range:** 18+

**-Language:** English

**-Wheelchair accessible:** No

**Description:** Can Pípirimosca is an ecological farm in the countryside where agriculture, far from being the main objective, is the means that allows the organization of cultural and associated activities. Operating as a farm allows self-sufficiency and the development of a sustainable lifestyle consistent with the environment where exchange, multiculturalism, coexistence and personal growth are the goals. The Can Pípirimosca project has taken place since 1998.

**-Work:** You will experience sustainable living through the food consumed (no coffee). You will help maintain a shed next to the house where courses & workshops will be held in. Please note the work will be mostly physical.

**-Accommodation:** Volunteers will stay in an on-site house designed for travelers - not tourists. A space open to everyone who wants to share, learn and teach. A place of contact with nature, the arts, music, theater, dance. A chance to experience & better understand the concepts of coexistence, exchange and personal growth.

**-Location:** Can Pípirimosca, near Tarragona
